Message from the General Manager

Dear Members and Homeowners,

Happy New Year! As we find ourselves making resolutions for the upcoming year, we hope your resolutions include spending some time relaxing and unwinding at our Resort.

We often get asked what's new in Caylabne be it the resort has been around for several years. Memories of the old Marbella Marina may come to mind for some, while for others it's memories of the earlier Caylabne days where the resort was by membership only is what they may recall.

This newsletter is one of which we can say is Caylabne's start to something new. We want to actively take part in our valued guests, member's and even homeowners stay in the resort. We will send out a monthly newsletter notifying our visitors about news and events happening, new services and F&B items that have been added, and special offers being presented by our resort . We will be posting articles and helpful tips for your travel to Caylabne that will have some of our very own staff as our article contributors. Watch out for contests and promotions that will be exclusive to our newsletter readers.

An air of freshness and excitement is ahead for us this 2011. We thank you for being a part of our 2010 and we look forward to serving you this 2011. Here's wishing you and your family a happy and healthy New Year!

Warmest regards,

Cathy Lee Cachila-Tolentino
